explore is the award-winning Canadian magazine for people who are passionate about the outdoors and adventure. In every issue, we take you along as our greatest adventurers travel to the most remote corners of Canada and beyond. We also give you the information you need to plan your own adventures from coast to coast to coast.

In the past six years, **explore** has been named Best Magazine of the Year by the Canadian Society of Magazine Editors three times. It's also been nominated for 89 National Magazine Awards, winning 11 Gold awards and 14 Silver awards.

In the fall of 2005 **explore** became North America's first glossy magazine to publish on Ancient Forest Friendly, Forest Stewardship Council-certified, 100% post-consumer recycled paper.
